Operating System: Windows 7 or Windows 8(64 bit)

Processor: Intel Core i7

System Memory: 8 GB RAM (for 64 bit OS)

Graphic Card: NVidia GeForce or ATI/AMD Radeon with 1 GB or more dedicated memory (3D accelerator)

Suggested Accessories

- Backup device such as a USB Flash Drive
- High speed internet connection
- 3 button scroll mouse

Notes

- Running 20-20 Design V10 in a virtual environment such as VMware or Parallels may impact rendering performance.
- We strongly recommend a dedicated graphics card by either NVIDIA or AMD. Please avoid systems that only have integrated graphics, such as the Intel HD 4000 or AMD APUs.
- Ensure with hardware supplier the RAM and hard drive can be easily upgraded if required.
